

LOS ANGELES COUNTY WIA YOUTH PROGRAM

INFORMATIONAL BULLETIN

NUMBER : WIA YTH 02-15

SUBJECT: CA Wired E-Learning
Programs

DATE: 12/10/02

EFFECTIVE DATE: IMMEDIATELY

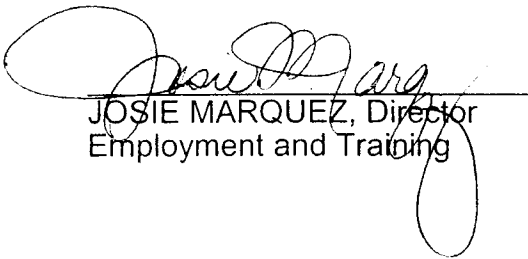

PAGE 1 OF 1

To: ALL YOUTH SERVICE PROVIDERS

The purpose of this bulletin is to inform youth service providers that CA Wired is offering an E-Learning program for Out-of-School Youth (OSY).

The California Youth curriculum offers courses via the Internet to teach OSY the basic competencies needed for employment and good citizenship. The curriculum is modeled on a curriculum successfully used by a GreenTeam of New York High School dropouts working towards a GED and job placement.

The entire CA Youth Curriculum (all courses) cost less than \$100 per student. The E-Learning offers consistent quality training delivered to any location with a PC at any given time. If you would like to learn more about the E-Learning programs, please contact Art McDade at (916) 486-8052.

JOSIE MARQUEZ, Director
Employment and Training
